# DESIGNED TO INSPIRE

York Wallcoverings' family of employees have an integrity and commitment to service and quality unsurpassed in the wallcovering industry. York stands alone in experience and knowledge among its peers.

Our authentic handcrafting and artisanship dates back over more than a century. It is this design heritage, working hand in hand with the latest in modern technologies, which

defines York Wallcoverings' portfolio as the most diverse within the wallpaper industry today.

By reimagining centuries old artisan handcrafting and authentic techniques through modern innovation, creativity touches every part of the York manufacturing process.

# DESIGN & MANUFACTURING

---

Long recognized for its collective talent, York Wallcoverings' design studio maintains a reputation for innovative styling and fine artistry, having extensive design expertise in all wallcovering product types including residential, commercial, high performance, acoustical and peel and stick. York's creative studio staff is in the unique position to layer design technologies and manufacturing techniques to bring their vision to print reality.

As the exclusive provider of rare Surface Print technologies in North America, and the only manufacturer with all five wallpaper printing types housed under one roof, York finds itself as the preeminent authority on wallpaper printing in the United States.

It is this design heritage which informs York's visionary adaptability and resilience, withstanding the test of time, and steadfast in dedication to excellence of design and industry with a focus on the future.

## VOLUME II

### ABOUT THE COLLECTION

The organic texture and shimmering allure which defines the second volume of this sought-after design duology brings new vision and identity to the signature of luxury interiors.

### ABOUT YORK WALLCOVERINGS

Created to cover the diversity and overarching themes which drive the home decor industry, the York wallpaper brand collections create an umbrella of distinctive and popular design options for walls inspired by social, trend and fashion influences.

### NON-WOVEN

Non-woven is a blend of compressed natural cellulose and synthetic fibers that forms a high-quality wallcovering base. It does not expand and contract with moisture yet is breathable and resistant to tearing. Seams match simply, with paste being applied either to the wallpaper back or directly to the wall. Non-woven hangs and repositions with ease and removes in full strips. Once applied, the finish has a textural hand associated with upmarket installations.

This collection features multiple product types. Product types are identified on the backprint of each pattern.

### ROLL SIZE

Unless noted with an asterisk (\*), all double rolls of wallpaper in this collection are:  
 27" wide x 27' long totaling 60.8 sq. ft. (68,5 cm x 8,2 m or 5,6 m<sup>2</sup>)  
 \*21" wide x 33' long totaling 57.7 sq. ft. ( 53 cm x 10 m or 5,3 m<sup>2</sup>)  
 \*\*These are wall murals. Please see dimensions on roomsets.

### IMPORTANT

When you receive your order, please check to make sure that the design, color and quantity are correct. Also, please examine the wallcoverings for imperfections before cutting and hanging. We will replace defective merchandise, but will not be responsible for labor costs. Discolorations caused by unneutralized plaster or improper wall preparation are also not covered by this warranty.

### RETURNS

Wallcovering returns must be pre-authorized and are subject to a restock handling charge plus return freight. All returns must be made within 60 days of our shipping date. Cut rolls are not acceptable for credit.
