ABOUT THE DESIGNER

Carol Benson-Cobb is an American artist known for her custom abstract paintings. Her vision creates a mood which leads the viewer to use their own imagination to connect with each fine art piece. The fluidity of her art is inspired by years of living in the landscapes of the high deserts of Arizona. Her home, gallery and studio, located in Dallas, Texas, are the heart of her uniquely personalized style. Carol Benson-Cobb's commercial wallcoverings are the natural progression of her artwork, with selected works re-invented for this collection.
