RONALD REDDING TRAVELER™

Ronald Redding wallpaper designs are the epitome of the modern masterclass, artfully blending the timeless past with pioneering innovation. His signature air of effortless luxury is celebrated by design and industry professionals alike as the cornerstone of neo-traditional style.

Bring the freedom and lifestyle of the world traveler home and experience the luxury of everyday adventure.

DESIGN & MANUFACTURING

Long recognized for its collective talent, the York Wallcoverings design studio maintains a reputation for innovative styling and fine artistry. With design expertise in all available wallcovering product types including residential, commercial, high performance and peel and stick, York's creative studio staff is in the unique position to layer design, technologies and manufacturing innovations to bring their vision to print reality.

As the exclusive provider of rare Surface Print technologies in North America, and the only manufacturer with all five wallpaper printing types housed under one roof, York stands alone in experience and knowledge among its peers; utilizing authentic, genuine handcrafting and artisanship dating back over more than a century.

It is this design heritage which defines York Wallcoverings portfolio as the most diverse within the wallcoverings industry today. York's visionary adaptability and resilience withstands the test of time, steadfast in dedication to excellence of design and innovation with a focus on the future.

RONALD REDDING TRAVELER™

ABOUT THE COLLECTION

Bring the freedom and lifestyle of the world traveler home and experience the luxury of everyday adventure.

ABOUT YORK WALLCOVERINGS

Created to cover the diversity and overarching themes which drive the home decor industry, the York wallpaper brand collections create an umbrella of distinctive and popular design options for walls inspired by social, trend and fashion influences.

RONALD REDDING DESIGNS

Ronald Redding wallpaper designs are the essence of the modern masterclass, artfully blending the timeless past with pioneering innovation. His signature air of effortless luxury is celebrated by design and industry professionals alike as the cornerstone of neo-traditional style.

NON-WOVEN

Non-woven is a blend of compressed natural cellulose and synthetic fibers that forms a high-quality wallcovering base. It does not expand and contract with moisture yet is breathable and resistant to tearing. Seams match simply, with paste being applied either to the wallpaper back or directly to the wall. Non-woven hangs and repositions with ease and removes in full strips. Once applied, the finish has a textural hand associated with upmarket installations.

ROLL SIZE

Unless noted with an asterisk (*), all double rolls of wallpaper in this collection are:

27" wide x 27' long totaling 60.8 sq. ft (68,5 cm x 8,2 m or 5,6 m²)

*20.87" wide x 32.8' long totaling 56.9 sq.ft. (53 cm x 10 m or 5,3 m²)

**27.5" wide x 33' long totaling 75.63 sq. ft. (69,85 cm x 10,1 m or 7,03 m²)

***36" wide x 24' long totaling 72 sq. ft (91,4 cm x 7,3 m or 6,6 m²)

IMPORTANT

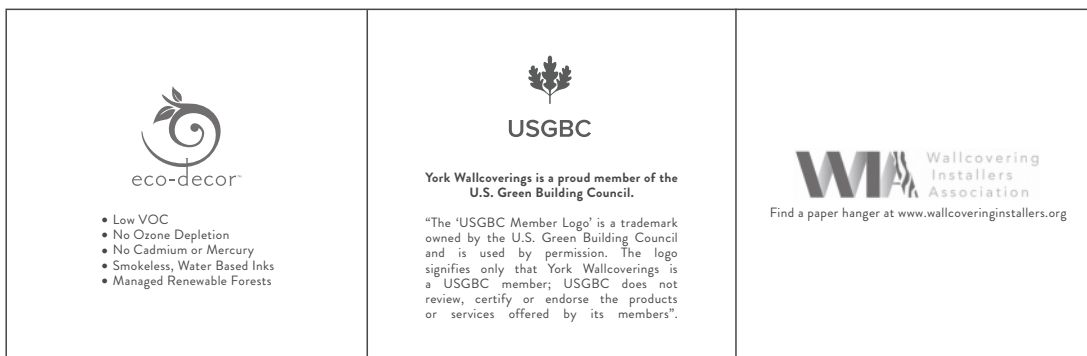

When you receive your order, please check to make sure that the design, color and quantity are correct. Also, please examine the wallcoverings for imperfections before cutting and hanging. We will replace defective merchandise, but will not be responsible for labor costs. Discolorations caused by unneutralized plaster or improper wall preparation are also not covered by this warranty.

RETURNS

Wallcovering returns must be pre-authorized and are subject to a restock handling charge plus return freight. All returns must be made within 60 days of our shipping date. Cut rolls are not acceptable for credit.
