Inspired by the intricate geometry of the boxwood shrub, *York's Director of Product Development photographed the delicate springs of this versatile evergreen from within her own backyard hedge.* Elegantly sculptural, the leafy nuances of color within the image developed into a prism effect of marquise cut layered leaves that were transformed into painterly garden pathways.

DESIGNED TO INSPIRE

ABOUT THE COLLECTION

Timeless motifs combine with sophisticated color to create the playful, casual pattern mix of heritage and modern found in Grandmillennial.

ABOUT YORK WALLCOVERINGS

Created to cover the diversity and overarching themes which drive the home decor industry, the York wallpaper brand collections create an umbrella of distinctive and popular design options for walls inspired by social, trend and fashion influences.

NON-WOVEN

Non-woven is a blend of compressed natural cellulose and synthetic fibers that forms a high-quality wallcovering base. It does not expand and contract with moisture yet is breathable and resistant to tearing. Seams match simply, with paste being applied either to the wallpaper back or directly to the wall. Non-woven hangs and repositions with ease and removes in full strips. Once applied, the finish has a textural hand associated with upmarket installations.

ROLL SIZE

Unless noted with an asterisk (*), all double rolls of wallpaper in this collection are: 27" wide x 27' long totaling 60.8 sq. ft (68,5 cm x 8,2 m or 5,6 m²)

IMPORTANT

When you receive your order, please check to make sure that the design, color and quantity are correct. Also, please examine the wallcoverings for imperfections before cutting and hanging. We will replace defective merchandise, but will not be responsible for labor costs. Discolorations caused by unneutralized plaster or improper wall preparation are also not covered by this warranty.

RETURNS

Wallcovering returns must be pre-authorized and are subject to a restock handling charge plus return freight. All returns must be made within 60 days of our shipping date. Cut rolls are not acceptable for credit.
